No. visits Superintendent	24	20	21	65	64
No. visits Citizens	35	27	72	134	222

From the above table the following may be noted:

1. The percent of attendance for the year is excellent, —an improvement over last year and above state average.

2. There were about seven pupils more in school than last year.

3. The number of tardinesses at the South is extremely high. The record should be improved.

4. The amount of tardiness at the Mills School is very low. Pupils, parents, and teachers are to be commended.

5. Sutton again has a full 180 days of school with no time lost.

The total unrepeated registration of the district was 83. Other pupils residing in the district but attending elementary or high school in other districts numbered 34 as follows:

Elementary, Warner 14; High School, Warner, 12, New London 7, Sunapee 1. The total number of pupils residing in the district and attending public schools was therefore 117, one less than last year.

The annual health inspection was made by Mrs. Ruth Adams, R. N. School Nurse. Fourteen pupils with defective vision were found of whom five had defects corrected. Fifty-one cases of defective teeth were found and 29 corrected. Nineteen cases of diseased tonsils and 24 of adenoids were detected. A dental clinic was held at Sutton April 20, 21, and

twenty pupils were treated. A preschool clinic was held at South Sutton April 25 and 28 children were treated by Miss Connelly assisted by Mrs. Adams. On May 23 fourteen children were vaccinated at a clinic held at the Mills. During the year the nurse made 73 school visits, 41 home visits, and 16 business calls. A health talk was given at each school once each month.

In the summer of 1937 the shed at the South Sutton School was enlarged to provide space for the year's supply of fuel. The Mills School house was painted on the outside. One of the toilets at the Sutton Mills School probably will need to be replaced next year as one of the tanks is badly rusted.

Parents, teachers, and board have cooperated in making this a successful year's work. We wish to express hereby our appreciation of the cooperation of all who have in any way contributed to the advancement of the interests of the pupils of the district.

Respectfully submitted,

JOHN A. SINCLAIR,

Superintendent of Schools.
